

STOP BUMPS BEFORE THEY START!

Bikini area and underarm skin is especially delicate. Hair removal can leave skin red, itchy, bumpy and irritated; hair regrowth can lead to unsightly bumps and ingrowns.

Medicated ZERO BUMPS Pads for Bikini & Underarm are specially formulated to stop bumps, soothe irritation and help prevent ingrown hairs. Gentle treatment pads are deeply saturated in a fast-acting pain reliever with skin-pampering Aloe and botanical extracts. Smooth over skin to instantly soothe irritation and immediately start improving skin's condition. With continued use, delicate skin looks and feels smooth, soft and sensational!

ZERO BUMPS Q & A

When should I use ZERO BUMPS Pads?

Immediately after hair removal for fast temporary relief of irritation and to help soothe away bumps and redness. Apply as needed, up to 4 times daily, to keep skin smooth and help prevent ingrown hairs.

When will I notice results?

Instantly! Zero Bumps soothes and smoothes skin from the very first treatment. It helps prevent unsightly bumps and ingrowns and improves the look and feel of skin.

How do I use ZERO BUMPS Pads?

It's easy! After hair removal, gently rinse treated areas and pat dry. Glide one Zero Bumps pad over skin as needed, up to 4 times daily.

Are ZERO BUMPS Pads safe for sensitive skin?

Dermatologist tested, Zero Bumps pads should be safe for all skin types. Before using this product, read all directions and warnings carefully. If you develop a rash or allergic reaction, immediately stop use.

What types of hair removers can I use with ZERO BUMPS Pads?

Zero Bumps is ideal for razor bumps and pampering skin after shaving, hair removal with creme, gel or lotion hair removers, or waxing with virtually any warm, cold or sugar wax. The soothing Brazilian formula is specially designed to help improve the look and condition of delicate skin after all kinds of hair removal. Perfect for bikini area, underarms and more!

Will ZERO BUMPS stain my clothes?

No. Zero Bumps pads feature a clear, non-greasy formula that absorbs quickly and completely with no waiting time after application. You can feel confident about slipping into your favorite outfit immediately after using Zero Bumps.
