

Drip Free Spray for Legs, Body, Arms & More

Soothing Botanicals • Great Vanilla Scent

Salon Tested • Dermatologist Tested

DIRECTIONS: Remove jewelry. Shake can. Step into shower or tub. Before turning on water, spray a generous amount of Hair Remover where hair is to be removed. **DO NOT RUB IN.** Wash hands immediately and thoroughly. Wait 3 minutes. Test a small area by wiping away Remover – if hair comes off easily, thoroughly shower off with lukewarm water and a washcloth if needed. **DO NOT RUB.** If hair does not come off easily, re-cover and leave Remover on a few more minutes, but no longer than 10 minutes. Pat dry after showering. Wait 24 hours between applications. Wipe nozzle clean with tissue. Replace cap after use.

WARNING: Avoid spraying in eyes. Contents under pressure. Do not puncture or incinerate. Do not store at temperature above 120° F. **KEEP OUT OF REACH OF CHILDREN.**

CAUTION: Test before each use by applying, as directed, to a small area of skin where the hair is to be removed. Wait 24 hours. If no redness or irritation develops, proceed. Irritation or allergic reaction may occur with some people, even after prior use without adverse effect. Not for use on face or head. If product comes in contact with eyes, wash immediately with cold water. If irritation occurs, seek professional assistance. Do not use on breast nipples, perianal or vaginal/ genital areas, in nose, or ears, on cut, irritated, inflamed, chapped, sunburned skin, over moles or warts, or on recently tweezed or shaved areas. **FOR EXTERNAL USE ONLY.** As with all depilatories, product will damage bath accessories. Use care while applying.
